

1-Foli A4 o A3

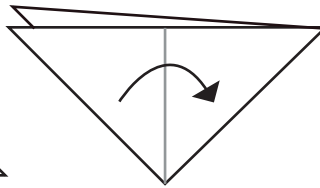

2- El pleguem el foli per obtenir un quadrat

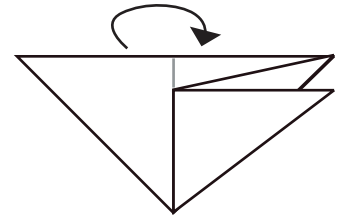

3- Retallem la part sobrant

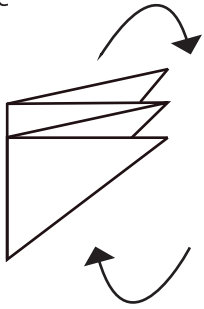

4- Tornem a plegar i girem el triangle

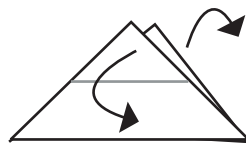

5-Pleguem la punta de dalt a l'esquerra cap endavant

6- Pleguem la punta de dalt a l'esquerra del darrere cap enrere endavant

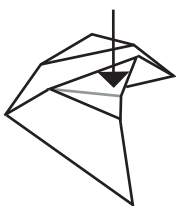

7- Un cop plegat girem el triangle posant la punta cap amunt

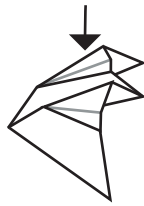

8- Pleguem per la meitat les puntes de dalt. Una per davant i una per darrera

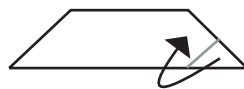

9- Aquests dos petits triangles s'han de desplegar

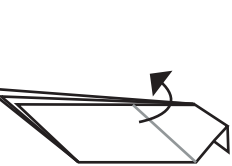

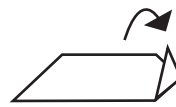

10- Un cop desplegats s'han de tornar a plegar per dins. Fem el mateix en els 2 costats

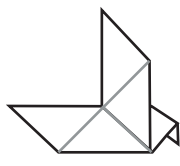

11- Ara fem el bec de l'ocell. Busquem el punt mitjà i dobleguem

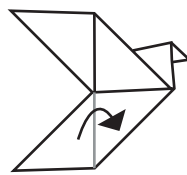

12- Fem com el pas anterior. Despleguem i tornem a plegar per dins.

13- Fem les ales plegant cap amunt. Fem les dues ales.

14- Ara fem la cua de l'ocell. Primer pleguem cap a la dreta tot el triangle de a baix.

15- Despleguem i tornem a plegar per la meitat. Ja el tenim!
